Subject: Atlantic Coast Pipeline Project Update: Nov. 8, 2017

**Atlantic Coast Pipeline Project Update
Nov. 8, 2017**

On Nov. 6, the Division of Energy, Mineral and Land Resources disapproved the second round of erosion and sediment control plans submitted by Atlantic Coast Pipeline, LLC on Oct. 23.

[Letter of Disapproval - Fayetteville Regional Office](#)

[Letter of Disapproval - Raleigh Regional Office](#)

On Nov. 8, the Division of Energy, Mineral and Land Resources also issued letters requesting additional information for both general stormwater permit applications submitted by Atlantic Coast Pipeline, LLC.

Public Hearing Nov. 15

The Division of Air Quality will hold a public hearing next week on the draft permit for Atlantic Coast Pipeline, LLC's proposed air compressor station, which would be built in Northhampton County at the Virginia border. The hearing is planned for **6 p.m. Nov. 15** at Garysburg Town Hall, [504 Old Highway Road, Garysburg, N.C., 27831](#). Speaker registration will begin at 5 p.m.

For those who cannot attend the hearing, public comments may be submitted by email to publiccomments@ncdenr.gov. Please be sure to include "ACP/DAQ" in the email's subject line. Comments may also be submitted by USPS mail to: Division of Air Quality, Attn: Charles McEachern, 3800 Barrett Drive, Raleigh, N.C., 27609. All comments received by Nov. 20 will be considered in the final determination of permit issuance and conditions. A copy of the draft air quality permit and related documents may be found online at the link below. A new informational flyer on the draft permit and air compressor station, including a map of the proposed location, is attached to this email.

More Information

Information on the pipeline project's environmental review process is regularly updated on the DEQ website: <https://deq.nc.gov/about/divisions/energy-mineral-land-resources/ACP>. Please feel free to share this update with other interested parties who may wish to have more information on the Atlantic Coast Pipeline project.
